**INNOVATION
GROUP**

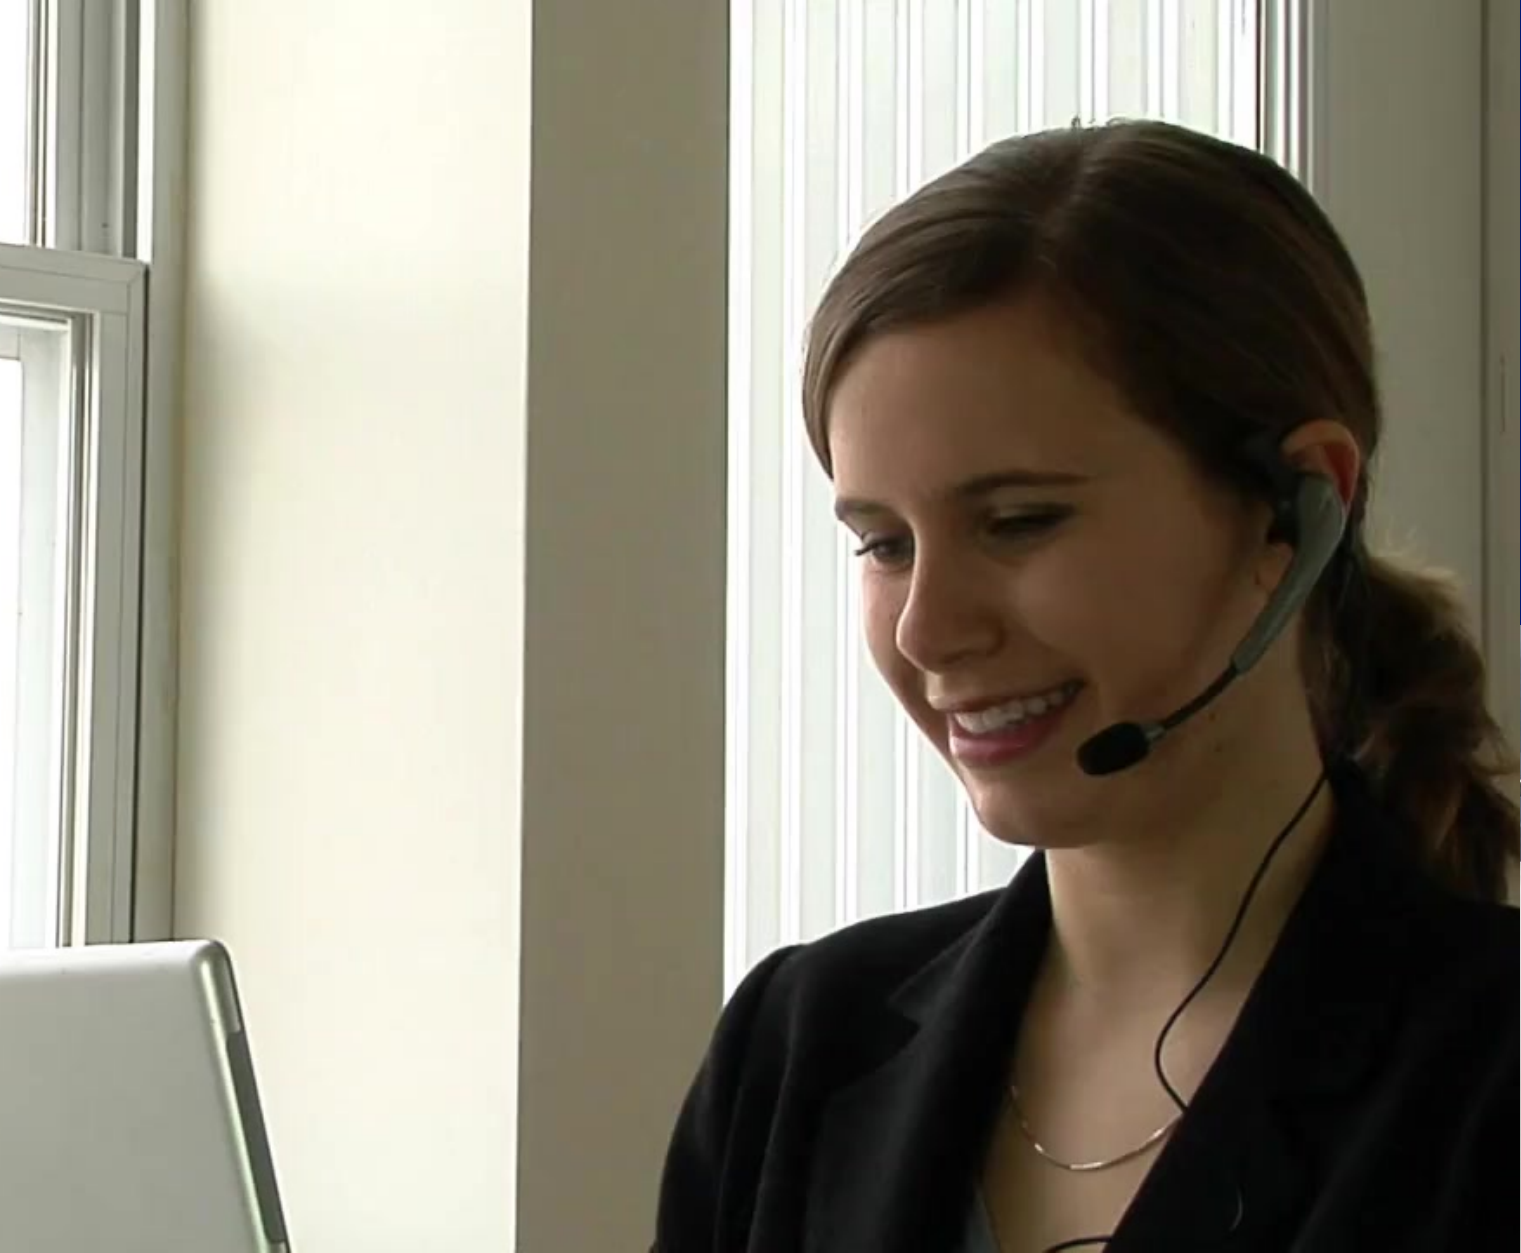

How can we help you to make accident claims management easier?

INNOVATION
GROUP

We take control of the driver from the accident scene.

- Reducing time-off road
- Average repair cost savings
- We take control of your driver

Online Claim Lodgement made simple with

Benefits

- 24/7 call line
- Towing
- Car rental
- Roadside breakdown assistance
- Collision repair network & suppliers
- Recoveries from at fault parties
- Third Party settlements
- Manage the claim when over the excess with your insurer
- Data insights & reporting

One-Stop-Shop

- we take care of your under excess end-to-end accident claims management
- including your over excess claims management with your insurer
- triage roadside breakdown assistance
- including tyre replacements, glass, other tows

By freeing you up from managing complicated, time-consuming claims you can focus on the more important aspects of your business, service offering, clientele and fleet management.

Accurate Claims data
improves
insurance premiums
