Faber-Castell has been a customer of Summit Fleet for many years. In all my dealings with Summit they have always been very professional and helpful. It is such a pleasure to have Blanca Templin as our Relationship Executive. Blanca is extremely helpful, knowledgeable and is very prompt with any request. I look forward to continuing our relationship into the future.

Lisa Hawkes, HR & Payroll Manager - Faber Castell Australia

Life Education has been with Summit since November 2016. Summit has been attentive to our needs and provided cost effective solutions, where required. Their staff are easy to reach and respond to our questions in a timely manner. Regular review meetings keep our Fleet up to date and cost savings/improvements are always addressed.

Districtive Options is a not-for-profit charitable organisation providing support services to people with disabilities in Victoria. Our organisation has partnered with Surmit Fleet to marage our fleet needs, since 2018. Surmit Fleet is attentive to cur needs and prorpt to act when required. We believe this is an excellent partnership that provides a win-win for both partner. It is a business arrangement that other disability providers should consider, if they are not already doing so. - Firm Methad. For Executive Officer - Districtive Options.

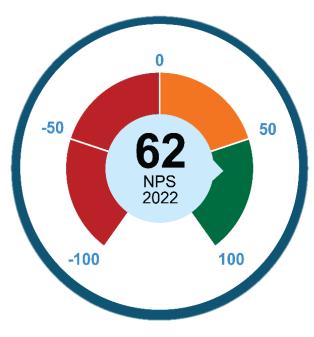

Summit Fleet Leasing and Management have been managing our fleet, consisting of trucks and light commercial vehicles, since April 2017. We are very pleased with the ease in which they work with service providers – arranging prompt payments and providing clear and concise reporting, tallored to our specific requirements. Mainmank are pleased to have Summit Pleas as a business partner.

- Keith Herps, Maintenance Manager, Mainmark Equipment Pty Ltd

Legrand Australia and Summit Fleet have had an association that goes back to 2010. Claire Sutherland's understanding of our business has resulted in developing dynamic solutions for when involved business challenge arise to keep our feam on the road. I consider Summit Fleet and Claire to be true business partners.

— Paul Auprino-Purchasina Manager. Learned Australia Plur Inteld

From the start of Water Corporation's tender process in August 2018, through to the live event as our fleet management provider in December 2020, Summit Fleet ensured at each stage of the implementation process clear and concise communications were maintained and expectations qualified to ensure a successful outcome to the project.
